Mission Statement

Where each student pursues challenging programs to develop his or her full potential.

Vision Statement

Where all students have the opportunity to pursue a challenging program of study and activities to develop their full potential.

Community

Grand Junction is the largest city between Denver, CO, and Salt Lake City, UT. The city population is 65,110 and is the major city in a rural area populated by approximately 158,809. The economy of the area is influenced by small industry, tourism, agriculture, regional medical facilities, and Colorado Mesa University. The community serves as the regional commercial, transportation, and cultural center for Western Colorado and Eastern Utah.

Grand Junction H.S.

- Established in 1911
- One of five high schools in Mesa County Valley School District 51
- A 9th through 12th grade school
- Accredited by the Colorado Department of Education
- Semester courses that meet for 45 minutes and earn .5 credit (some quarter classes meet for 95 minutes and earn .5 credit also)
- Implementing an Academy School Model by Fall 2024

GJHS's Academic Team has won 23 state titles, including the 2022 state competition
